Topics

The musical core areas of the workshops are: pop, rock, jazz, improvisation, texting and song writing. Playing ensemble and performance practice will be trained in evening sessions.

Instructors

Thomas Faulhammer & the BEST FRIENDS: Wolfgang Fellingner, Thomas M.Strobl und Aaron Wonesch.

Location

The island of Lemnos is located in the northern Aegean Sea. The unique island has a size of 447 square meters and has a large historical as well as mythical significance.

The scenic variety reaches from plains, mountains, cliff lines and pictorial sandy beaches to majestic patrician houses in the capital city Myrina.

Up to now, Lemnos has been untroubled by large tourism masses. Here you find Greece in its origin rather than large hotel complexes.

The course location is in Agios Joannis Beach, a long drawn-out bay, close to Kaspakas. It is located approx. 10 minutes from the capital city Myrina and approx. 20 minutes from the Airport.
